

EVENING FOR THE BAY

WAVE OF THE FUTURE

PRESENTED BY

PROGRESSIVE

SATURDAY, NOVEMBER 3, 2018 FROM 5-9 PM

Dear Friend of the Bay,

Tampa Bay Watch, Inc. is appreciative for the community's ongoing support to allow us to restore and protect Tampa Bay's estuary, and with partners like you, we are able to continue our mission! We are thrilled to share that we will be hosting **Evening for the Bay "Wave of the Future" on Saturday, November 3, 2018** at Tampa Bay Watch Marine and Education Center. Help us say cheers to 25 years by transporting to year 2525. This will be a revolutionary night with sleek innovations and neon lights to bring the future of Tampa Bay Watch into clear sight.

A favorite amongst our 400+ guests is the exclusive auction; we are currently seeking "In-Kind" donations of goods and/or services which will be tax deductible to you or your business. In addition, we will kindly offer marketing exposure for your generosity on our website, e-Newsletter (17,000+ subscribers), on social media (15,000+ followers) and in signage on the day of event, too. Due to your charitableness, we will be able to offset costs, thus directing more funding to our science and education programs.

By providing an "In-Kind" donation(s) for auction, we will be able to...

- remove debris from shorelines in large-scale coastal cleanups.
- partner with schools and their students on restoration efforts for our shoreline.
- create oyster shell bars to help reduce shoreline erosion and improve water quality.
- plant plugs of salt marsh to continue to restore acres of coastal tide ponds in Tampa Bay.

Won't you consider making a positive and measurable impact for our mission with a donation today?

On behalf of all of us at Tampa Bay Watch, thank you in advance for your consideration!

With regards,

Pamela Arbisi
