

Scholarship Application Terms & Conditions

Thank you for your interest in Estuary EDventures Summer Camp at Tampa Bay Watch. Tampa Bay Watch strives to provide high-quality, inclusive summer camp programs for children ages six to fifteen. Our camp scholarship program offers free camp tuition, awarded on a first-come, first-serve basis. We are thankful to our camp sponsors, who have generously donated funds toward our scholarship program.

The scholarship application will require documentation supporting low-income (see criteria below) and a signed letter from a nominating teacher. Documents must be received at the time of application in order to be considered. The scholarship program allows one scholarship per child per summer. Please note that because funds are limited and demand for camp is high, qualifying for a scholarship does not guarantee a scholarship award. In addition, qualifying for a scholarship does not guarantee a spot in summer camp. Education staff reserves the right to select week of attendance based on availability. Parents or guardians are responsible for providing transportation for their child each day of camp as well as a lunch brought from home in the case of a full-day session.

Applications and supporting materials can be submitted through April 26th, 2019. Staff reserves the right to close down the application process, without notice, once our scholarship funds have run out or spots in our camp program are full. Completed applications will be reviewed on a rolling basis and applicants will be notified of the status of their application by May 10th, 2019. All scholarship recipients must complete full online registration upon award acceptance. All materials will be held confidentially and destroyed at camp conclusion.

How to complete this application:

1. Review terms and conditions.
 2. Application must be completed by a parent or guardian.
 3. Select week(s) of availability. Please select all weeks your child is available (specific to his/her age group).
 4. Attach documentation supporting criteria met. Please include student first and last name.
 5. Attach a letter of recommendation written and signed by a nominating teacher. Please include student first and last name.
 6. Email application form, documentation, and letter to Jordan Findley at education@tampabaywatch.org.
