

## BAY GRASSES IN CLASSES – WETLAND NURSERY PROGRAM TEACHERS' QUESTIONNAIRE

### CONTACT INFORMATION

Your name and title: \_\_\_\_\_

Name of school: \_\_\_\_\_

Address: \_\_\_\_\_

Phone numbers: OFFICE: (\_\_\_\_\_) \_\_\_\_\_

CELL: (\_\_\_\_\_) \_\_\_\_\_

Email: \_\_\_\_\_

### NURSERY PLACEMENT

Is there a secure, flat, sunny, open area which is approximately 20 ft. by 20 ft. where an open-air nursery could be constructed?  Yes  No

Please describe: \_\_\_\_\_

Is there access to a water source for irrigation?  Yes  No

Is the potential nursery location in a secure place where vandalism or damage to the nursery or plants may be preventable? (If a fence must be placed around the nursery, will this be possible?)  Yes  No

Does your school have maintenance staff or other support personnel who may be able to assist with the project?  Yes  No (If so, please provide their contact information: \_\_\_\_\_)

### PROGRAM ADMINISTRATION

Name of classes or clubs: \_\_\_\_\_

Name of other science teachers who may be interested in participating or may be able to help with the program:

\_\_\_\_\_

\_\_\_\_\_

(continued on next page)

Please describe the class or club that will be responsible for the nursery:

---

---

Will you be able to provide a group of student mentors that can stay out all day for an on-campus activity—for example, nursery planting or nursery recycling?  Yes  No

*Although not necessary, the mentors will guide new students and make the process smoother.*

Is there potential to bring in other classes to help with an on-campus project with the nursery?  Yes  No

This program allows students and chaperones to participate in off-campus activities that may take up to a full school day. Will it be possible for students/teachers to be out of school for a full day?  Yes  No

Is your school able to provide transportation to the planting sites? Are you able to raise this cost through club funds or parent field trip fees?  Yes  No *(BGIC program will cover transportation costs to schools that qualify)*

Do you have support from your administration to have this program at your school?  Yes  No

Principal's name: \_\_\_\_\_

A \$500 affiliation fee is required to be part of the Bay Grasses in Classes program to cover supplies and expenses. Are you able to raise this fee through club funds, PTA, or other resources?  Yes  No If not, what are other ways you could acquire the affiliation fee? (If you need background help with your fundraising, we would be happy to help.)

---

---

Please include any other information that describes your environmental program, recent club activities, or other important details. Please include any past environmental activities.
